--	------------------

Total Estimate for Commercial Pilots Licence	ZAR 1,040,000.00
Visa medical aid and enrollment fee	ZAR 80,000.00

Please Note:

This estimate is based on the minimum hours required by law. Should extra training be required, such costs will be for the student's account. Estimate includes landing fees. Vulcan provided accommodation and transportation is compulsory. CAA approved PPL/CPL books/notes will be provided where applicable. Prices indicatives are in South African Rand (ZAR) and inclusive of VAT @ 15%. Ts and Cs apply. Estimate does not include Visa costs. Food and Laundry package included. Training will be split between Lanseria and Rustenburg. Enrollment fee is non-refundable. Estimate is subject to Student/Flight training contract. Price lock for 12-month period from the date of arrival in SA.

Payment terms:

An enrollment fee of ZAR 80 000.00 (International Student) is required to commence the joining process. For all International students the minimum credit (balance threshold) to be maintained will be ZAR 50,000.00 at all times. The balance of the deposit fee will be allocated towards training and instruction. All forms of training will cease if the minimum credit balance is below the mentioned amounts. Training will re-commence once sufficient funds are available. Charges for additional training (if required):
Single engine: R3700/hr (dual/solo)

Milestones:

PPL milestones

1. 5-hour check – fully competent on demonstrating use of checklist without instructor intervention.
2. 10-hour check – to be able to fly the aircraft without instructor intervention and demonstrate exercises 6, 7, 8, 9, 10 and 11. Additionally the 'check instructor' should be able to recommend starting exercise 12, 13.
3. 20-hour check – to be able to fly the circuit pattern with all related procedures and radio calls. Demonstrate reasonable situational awareness and ability to land the aircraft with little to moderate input from the instructor verbally with NO physical intervention.
4. 25-hour check – successfully achieve initial solo.
5. 30-hour check – to have been recommended by 'line instructor' to commence with GFA sessions.
6. 40-hour check - to have been recommended by 'line instructor' to commence with NAV sessions.
7. 55-hour check – to have been recommended by 'line instructor' for a PPL skills test after the 1st PPL mock test.
8. Complete all PPL exams within 3 months of receiving the Student Pilot Licence (SPL)

Night Rating and Hour-building milestones

1. To have completed Night Rating and all 10 CPL exams with 85-hour PIC within 5 months after PPL completion.

Terms & Conditions:

1. Strictly adhere to payment terms as per the estimate.
2. Strictly adhere to the Milestones.
3. 14 months of un-interrupted training.
4. Should not have contravened Vulcan's Flight Training Contract during the training period.
5. Training may be suspended if student does not meet the above milestones, with possible termination of training if no progress is achieved after re-training.
